3.1 Instructions

- i. The applicant is required to provide the consolidated global manufacturing revenue in the Target Segment as well as for electronics hardware products/ sub-assemblies/ components, in line with clause 3.2 of the guidelines.
- ii. In case the applicant's annual report is being prepared on calendar year basis or does not reflect the consolidated global manufacturing revenue in the Target Segment, the applicant should provide a certificate for consolidated global manufacturing revenue in the Target Segment from 01.04.2019 to 31.03.2020. The annual report may be submitted for calendar year 2019 or financial year 2019-20, as may be available.
- iii. The certificate issued by the applicant should mention names of group companies, relationship with the applicant, location of registration and manufacturing revenue of the company in the target segment considered in consolidated revenue.
- iv. The applicant is required to submit a certificate from such group company whose revenue is being considered for, stating: name of the company, relationship with the applicant, registration no., location of registration and revenue from manufacturing in the target segment and/ or for electronics hardware products/ sub-assemblies/ components.
- v. The total of manufacturing revenue in the target segment and/ or for electronics hardware products/ sub-assemblies/ components, reflected in the certificate from all such group companies should be matching with the total consolidated revenue reported for the qualification criteria.
- vi. In case the manufacturing revenue of an entity is claimed and considered for two or more applicant companies, the manufacturing revenue of such entity in the target segment will be equally divided among the applicants that are claiming revenue of such entity. Eligibility for qualification will be determined based on such share after division of manufacturing revenue of that entity.
- vii. Eligibility shall be subject to qualification criteria as under:
IT Hardware Companies: Consolidated Global Manufacturing Revenue of the applicant (including its Group Companies) in the base year should be greater than INR 5,000 crore for the target segment or greater than INR 10,000 crore for electronics hardware products / sub-assemblies / components.
Domestic Companies: Consolidated Global Manufacturing Revenue of the applicant (including its Group Companies) in the base year should be greater than INR 10 crore for the target segment or greater than INR 20 crore for electronics hardware products / sub-assemblies / components.

3.2 Qualification Criteria (Self-certified)

In case annual reports are available in any currency other than INR, rupee equivalent amount may be submitted applying average of exchange rate as on the 1st day and last day of the reporting period, as declared by RBI
